

NEW JERSEY DIOCESE

MEMO

The New Jersey Diocese has a heart for sharing the life and love of Christ in both word and deed. Every gift we receive provides the opportunity to share the story of Christ and His love, along with life-saving solutions to children and their families around the world. Your generous support helps our programs and will help provide numerous life-giving resources. We are thankful for your willingness to help us reach our goal of thousands.

Our mailing information is as follows:
