## OFFICIAL NOTICE TO THE NORTH CAROLINA DIOCESE

Grace and peace to each of you. I am truly elated to greet you in the Spirit of love, excellence, and purpose. As we continue navigating the shifting waters of life, its challenges, its victories, and its unexpected turns, I remain in prayer for your strength, your resilience, and your unwavering commitment to the Word of God.

The Ministers' Council stands as a strategic leadership body within our Diocese. Its purpose is to support, equip, and empower those serving in active ministry roles, as well as those who are prayerfully discerning their call to leadership through the guidance of the Holy Ghost. This Council provides structure, accountability, and professional development, ensuring that every leader is prepared to serve with clarity, integrity, and spiritual authority.

After more than seven months of focused study, prayer, and intentional preparation, I am honored to formally introduce the **Leaders in Training: Ministers' Council Workbook** to the North Carolina Diocese. This comprehensive resource has been designed to strengthen your walk with God, deepen your self-awareness, and expand your capacity to impact the lives of those you are called to lead. It is a tool for growth, reflection, and strategic development.

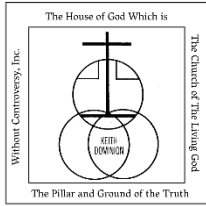

This initiative is more than a workbook; it is a **collaborative pathway for us to grow together**. As we engage this material collectively, we elevate our leadership culture, sharpen our ministry practices, and build a unified foundation for transformative service. Through shared learning, we strengthen our Diocese and position ourselves for greater effectiveness and impact.

After a meeting held on August 12, 2025, the following individuals met on Zoom and agreed to serve in the offices listed below. Therefore, I am pleased to officially introduce the **Official North Carolina Diocese Ministers' Council Leadership Team**. As your Jurisdictional Prelate, I ask that you pray for them, communicate with them, and work in partnership with them. We can no longer afford leadership that is passive or routine. We must be intentional, productive, and committed to ensuring that our work produces measurable, meaningful, and transformative results.

I strongly encourage **every Pastor and every Minister of every rank** to secure your personal copy of the workbook **before the postmark deadline of Monday, February 16, 2026**. Workbooks will be delivered to Pastors on **Saturday, March 7, 2026**, during the **86th Holy Gathering** (commonly known as the 2026 State Assembly), convening in Raleigh, NC, on **March 5-8, 2026**.
